**Expression of interest to collaborate in CBR projects
at Aizawl, Sasaram, Amethi and Sunderban**
(Expansion of services for disabled by CBR approach)

Institute plan to undertake CBR project (2yrs duration) in an identified geographic area/ population (two lakh approx.) located in the area/district of Aizawl (Mizorum), Amethi (U.P), Sasaram (Bihar) & Sunderban (24 Prgs,W.B) with aims to identify, intervene and integrate disabled locally, using existing resources/programs & schemes. .

Proposals to collaborate in the said projects are invited from the interested like minded parties /Institution having service activities in and around concerned area/district.The party /institution should be a service/teaching nonprofit registered society/NGO having interest in the all round rural reform/transformation with emphasis on interest and integration of disabled.

The institution should have adequate infrastructure, ready to provide rent free minimum accommodation at identified project location. The facility of telephone/ internet connectivity etc. and services of a motivated official to coordinate are required.

The expression of interest giving details may be submitted with in two weeks from issue date. There will not be any financial liability on the collaborating institution. A token honorarium/cost of facilities rendered by the collaborating institution may be paid under the project.
