- (b) Offline application - The candidate will have to take a print-out of the application form available on our website, fill it up as per instructions and send by person or registered/speed post along with a valid demand draft / proof of online payment to:

The Chairman, CET-2018

C/O Director

National Institute for Locomotor Disabilities (NILD)

BT Road, Bonhooghly, Kolkata – 700 090 (WEST BENGAL)

INTRODUCTION

Disability is defined as a lack of ability, to perform an activity in the manner considered normal for a human being. It is estimated that in India, 2% population (approx) suffers from one or other form of disability. Malnutrition, lack of hygiene and inadequacy/delay in Medical services, infectious diseases, accidents, etc. may cause impairment leading to disability; where services of such professionals along with medical & paramedical professionals are needed at different stage to prevent, manage disability or their rehabilitation.

DISABILITY HAS BEEN BROADLY GROUPED AS

- (i) Locomotor disability
- (ii) Hearing impairment
- (iii) Mental retardation & mental illness
- (iv) Blindness or low vision
- (v) Multiple Disabilities

Although Government, NGOs and some civil society Institutions have been providing services to the persons with disabilities since long, but these efforts have gained momentum since 1970's, when the decade was marked by a new approach to disability with the concept of "Rights for Disabled Persons". The United Nations took the lead and issued declarations relating to Rights to the Disabled Persons (1975). The 1983-92 was declared as the "Decade of the Disabled Persons". This was followed by the "Asia and Pacific Decade of Disabled Persons" (1993-2002). The standard rules for the equalization of opportunities for persons with disabilities were adopted by the UN General Assembly in 1993.

In 1995, Indian Parliament introduced "Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act" 1995, is adopted by all the states and union territories. The act defines the responsibilities of the central and state Governments regard to the services to the persons with disabilities. It mandates affirmative action for ensuring useful life to disabled person and refers to the need for action on prevention of disability, provision of medical and other services to minimize the impact of impairment on account of diseases & accidents etc. It also refers to rehabilitation through education, vocational training, barrier free environments, assistive aids and other interventions. This Act was further revised as RPWD Act 2016.

Since 1970, Govt. of India has established several institutions to train professionals/manpower in the field of rehabilitation. There are four National Institutes viz, National Institute for the Orthopedically Handicapped, Kolkata, AYJ National Institute for the Hearing Handicapped, Mumbai, National Institute for the Mentally Handicapped, Secunderbad and three apex Institutes, viz, Swami Vivekanand National Institute of Rehabilitation Training and Research, Cuttack, Pt. Deen Dayal Upadhaya Institute for the Physically Handicapped, New Delhi and National Institute for Empowerment of Persons with Multiple Disabilities, Chennai. These Institutes are conducting training programs at Certificate, Diploma, Degree and Postgraduate levels in their respective disciplines. The Institutes also carry out research; develop models of rehabilitation service, manpower development, and clinical & therapeutic service. They also have extensive outreach programs so that services are available in a decentralized manner. Over the years, the Institutes have trained thousands of professionals who are in their careers in the Country and abroad. In addition to above, the Ministry has also established Composite Regional Centers, District Disability Rehabilitation Centre, supporting to voluntary action programs and National Program for Rehabilitation of Persons with Disabilities under state sector scheme. For further information, Website <http://socialjustice.nic.in> may be visited.

1. TRAINING PROGRAMMES

The Ministry of Social Justice and Empowerment supports manpower development in the field of rehabilitation through National Institutes, who are offering a number of courses for which entrance test is being conducted. Amongst them, some are in the area of

- (i) Prosthetics & Orthotics**
- (ii) Physiotherapy**
- (iii) Occupational Therapy**

1.1 PROSTHETICS & ORTHOTICS

Prosthesis is an artificial replacement or substitute for a loss part of a limb amputee due to congenital or acquired causes. The profession got its recognition more in early seventies in post war era. This was due to the sudden increase in number of war victims' amputees requiring fitments of artificial limbs (Prosthesis).

Orthosis is a device applied over body to the individual to support, maintain or correct the deformity in a weakened part of body. It may also be applied with the additional objective to assist, allow or restrict movement of joint of body. Orthotics is the practice to design, fabricate, the orthosis.

After successful completion of the course, a student may get placement as a Prosthetist/Orthotist in Rehabilitation Centres, Hospitals, Trauma Centres, Multinational companies and Manufactures, Academic Institution and Self-employment, in Government and non-government sector in the Country and abroad.

The avenues for higher studies & research in the area of Prosthetics and Orthotics are enormous.

1.2 OCCUPATIONAL THERAPY

Occupational Therapy aims to provide therapeutic and functional management to the disabling medical conditions (Physical and mental) so as to enable them to perform maximum possible function independently viz. daily living activities, play, performance at the work place through sensory integration therapy, work simulators, EMG-Biofeedback, therapeutic activities, etc. In occupational therapy, modified, adaptive/assistive & supportive devices are also developed and used to make the life more independent, productive and dignified.

As an indispensable member of a medical/rehabilitation team, this discipline; one find a wide scope in various hospitals, NGOs, Paediatrics Hospital & psychiatric centres, industrial setups, educational institutions, sports industries, homes for aged, reconstructive/plastic surgery and leprosy rehabilitation centres etc. The community based rehabilitation is another area where occupational therapy is being recognized as an important component.

A successful candidate has job opportunities as therapist, teaching faculty, researcher in Government & NGOs, self-employment, consultant/advisor in industrial & educational institutions etc. in the Country & abroad.

The avenues for higher studies in occupational therapy in the specialties like rehabilitation. Orthopaedics, Hand Rehabilitation, Developmental disabilities & neurology, psychiatry, sports etc. & research are also available.

1.3 PHYSIOTHERAPY

Physiotherapy is an allied health profession, which emphasizes the use of physical agents in the management of diseases, prevention & rehabilitation of disabling conditions. Physiotherapy deals with problems particularly those associated with Neuromuscular, Musculo-skeletal and Cardio-vascular & Respiratory systems. The therapeutic methods are based essentially on movement, manual therapy and use of physical agents.

A Physiotherapist is trained to assess, plan and provide therapeutic services to the individual with sensory and motor deficit. After successful completion of the course, a student can seek placement as a physiotherapist in hospitals, rehabilitation centers, Physiotherapy clinics and as a faculty in the concerned subject etc. The avenues for higher studies & research are also there. The specialization in physiotherapy in the area of Orthopaedic, neurology, Paediatrics, sports, rehabilitation, chest physiotherapy & specialized techniques like manual therapy, electrotherapy etc. are also coming up.

2. INSTITUTES UNDER CET-2017

National Institutes offering said courses were established as autonomous bodies under Empowerment of Persons with Disabilities (DIVYANGJAN), Ministry of Social Justice & Empowerment, Govt. of India in early eighties with the following aims and objectives.

- Human Resource Development in the field of rehabilitation of PwDs
- Developing model service delivery system for people with disability.
- Undertaking research and development in the field of rehabilitation.
- Undertaking consultancy services.
- Undertaking extension & outreach programs.

2.1 National Institute for Locomotor Disabilities (DIVYANGJAN), Kolkata (NILD)

NILD is located at B.T. Road, Bon-hooghly, Kolkata, was established in 1978. In addition to the said Bachelor & Master courses in Physiotherapy, Occupational Therapy, Prosthetics & Orthotics, the Institute also offers Post-Graduate Diploma in Disability Rehabilitation & Management and Diplomat of National Board (DNB) in PMR, Msc. Rehab. Nursing and P.G. Diploma in Rehabilitation Engineering at its headquarter in Kolkata.

The Institute also conducts courses at its RCs & the Collaborative Centres,

Short-term training programs for medical and allied professionals are being conducted every year. Institute is also having courses at its regional center at Dehradun and Aizawl.

Through its outreach programs various parts of Country especially states like West Bengal, UP, Bihar, Jharkhand, NE states are being covered. The Institute has a 50 bedded hospital with well-developed indoor and surgical facilities having necessary & sophisticated laboratories. There is a beautiful eco-friendly campus with excellent library facility and plenty of clinical material for the research. For more information please browse www.niohkol.nic.in.

2.2 Swami Vivekanand National Institute of Rehabilitation Training and Research (SVNIRTAR), Cuttack

SVNIRTAR is located in Olatpur, District Cuttack, Odisha 30 Kms from Cuttack and Bhubaneswar. The pilgrimage centre of Puri is also nearby. The Institute is running Bachelors Degree Programs in Physiotherapy, Occupational Therapy and Prosthetics and Orthotics. It also has 100 bedded hospitals

where surgeries are performed for persons for deformities, contractures, clubfoot and Hansen’s disease and has made a name for itself in limb lengthening surgeries through Illizarov method. The Institution is strong in research and faculty have a fair amount of published work. It has also well-developed departments in Physical Medicine and Rehabilitation, Physiotherapy, Occupational Therapy and Prosthetics and Orthotics. SVNIRTAR also conducts Postgraduate courses like Diploma National Board (DNB) in Physical Medicine and Rehabilitation, Master in Physiotherapy and Master in Occupational Therapy and Master in Prosthetic & Orthotic. Short term courses for professionals and awareness programmes are being conducted every year. For more information please browse www.svnirtar.nic.in.

2.3 National Institute for Empowerment of Persons with Multiple Disabilities (NIEPMD), Chennai

National Institute for Empowerment of Persons with Multiple Disabilities under Department of Empowerment of Persons with Disabilities (DIVYANGJAN), Ministry of Social Justice & Empowerment, Govt.of India was established in the year 2005 at Chennai, Tamil Nadu, to fulfil the objective of serving as a national resource centre for empowerment of persons with Multiple Disabilities.

The Objectives of the institute are to undertake development of human resource for management, training, rehabilitation, education, employment and social development of persons with Multiple Disabilities. To promote and conduct research in all areas relating to Multiple Disabilities , to develop Trans-disciplinary models and strategies for rehabilitation and to meet the needs of diverse groups of people with Multiple Disabilities and to undertake services and outreach programs for the persons with Multiple Disabilities.

VISION: The persons with Multiple Disabilities have equal rights to lead a better quality of life. This may be enabled with committed professionalism, accessible environment, equal opportunities, positive attitudes and appropriate, affordable, acceptable and available technological interventions.

MISSION: To provide need based comprehensive rehabilitation through team approach facilitating inclusion, ensuring empowerment of persons with Multiple Disabilities and their families and by substantiating field based research and development of human resources.

VALUE STATEMENT: Promoting quality of life for persons with Multiple Disabilities, through equal participation of clients, families, professionals and community agencies. For more information please browse www.niepmd.tn.nic.in

(FOR OFFLINE APPLICATION) – Visit website www.niohkol.nic.in and click “Common Entrance Test 2018 (CET-2018)” and download and print the application form.

The filled-in Application Form complete in all respect should be submitted in Person or by Speed Post so as to reach office of:

The Chairman, CET-2018

C/O Director

National Institute for Locomotor Disabilities (NILD)

BT Road, Bonhooghly, Kolkata – 700 090 (West Bengal)

NOTE:

- i. The photograph affixed on the application should be self-attested.
The prescribed format for the photograph is as follows:
 - a)The photograph to be uploaded shall be a coloured one.
 - b)It should be a passport size photograph with a white background.
 - c)Frontal face should be clearly visible on it
 - d)The photograph must be taken on or after April 01, 2018.
- ii. No request for change of address will be entertained until the admission is finalized.
- iii. Always quote your Application Form No. & Roll No.....(if allocated) in future correspondence.

9. ADMIT CARD

Admit Cards of eligible candidates will be uploaded in NILD website <http://www.niohkol.nic.in/> as on **02.06.2018**. Candidates are required to download admit card using their id and password which was generated while filling up the online application form. For offline / manual applications, the admit card will be sent through Speed post. The candidate may contact us on or before **09.06.2018** if admit card is not available or received. Any query may be made on **Telephone (No- +919432772725) or Fax: 033-2531 8379 or email: cetnild2018@gmail.com**

10. METHOD OF SELECTION & COUNSELLING/ADMISSION

10.1 Merit list/ Waiting list will be generated on the basis of marks obtained in the Common Entrance Test-2018.

The result and schedule of counselling will be available on the websites <http://www.niohkol.nic.in/> by stipulated date. The candidates are advised to appear for counselling based on result published on website.

10.2 Merit List

The admission will be made strictly on the basis of merit of the eligible candidates determined by the marks obtained in CET-2018.

In case of two or more candidates obtaining equal marks in the CET-2018, the inter- se-merit of candidates will be determined according to the following criteria:-

- i. The candidates getting higher marks for Biology/ Mathematics in CET-18 shall rank higher in the merit list.
- ii. In case of tie in (i) above, the candidates securing higher marks in Chemistry in CET-18 shall rank higher.
- iii. In case of tie in (i & ii) above, then the candidate getting higher marks in Physics in CET-18 shall rank higher.
- iv. In case of tie in (i), (ii) & (iii) above, the candidate getting higher marks in 10+2 shall rank higher.
- v. In case of tie in (i), (ii), (iii) & (iv) above, the candidate elder in age shall rank higher.

10.3 COUNSELLING & ADMISSION

First counselling for admission shall be held from 07.08.2018 to 10.08.2018 at reporting time 09.00 am at **National Institute for Locomotor Disabilities (NILD), Bonhooghly, Kolkata – 700 090 (West Bengal)**. The candidate will have to secure the seat on the same day after counselling by depositing the admission fees.

10.3.1 IMPORTANT INFORMATION

The candidates should report to the Chairman, CET-2018, Director, NILD, Kolkata on the date and time notified for counselling in person. The allotment of course/Institute will be made only when they attend the counselling. The following procedure will be followed:

- a. The candidates will be called in the order of merit and shall be offered the seat and Institute available/vacant at his/her turn. Each candidate will have to select course and Institute (subject to eligibility) and from the available seat of the Institute.
- b. The parents/guardian shall not be allowed in counselling hall. However, the candidate may be given enough opportunity to consult his/her guardian prior to counselling.
- c. At the time of counselling, the candidates have to produce original certificates and two sets of self-attested photocopies thereof. One of original documents (X certificate/XII mark sheet) may be retained in the Institute till the completion of the first year examination.
- d. A candidate, who fails to appear in person on the notified date and time for counselling shall forfeit his/her claim for a seat.
- e. A candidate who is allotted a seat shall be admitted provisionally. He/She will be required to deposit the prescribed fee on the spot by demand draft.

10.3.2 FILLING-UP SEATS AFTER 1st COUNSELLING

The vacancies arising due to drop-outs/withdrawals, if any, will be filled-up first by updating the list Institution-wise on the basis of merit (Rank in CET-2018) and thereafter the resultant vacancies will be notified and filled- up through 2nd counselling on stipulated date.

10.3.3 PROCEDURE OF UPDATING IN THE SAME INSTITUTION

Updating of merit list in the same institute wherever applicable will be done on merit based on the rank of the student in CET-2018 subject to availability of seat. After updating the merit list in the same institute, resultant vacancies will be notified for second counselling.

10.3.4 SECOND COUNSELLING

In case vacancy occurs in any Institute after the first counselling, the candidates may be called for second counselling in order of merit.

In case the candidate opts for transfer from one institute to another institute or one course to another course in the same institute, during second counselling, his/her fee and deposit paid earlier will be adjusted/transferred as per rules.

11. DOCUMENTS REQUIRED IN ORIGINAL AT THE TIME OF COUNSELLING/ADMISSION

- * Original Admit Card of CET-2018 and Counselling letter.
- * Date of birth (Secondary School/Matriculation Certificate/Admit Card) issued by the affiliating board.
- * Certificate and mark sheet of the qualifying examination issued by the Board/University.
- * Conduct and Character Certificate from the head of the Institution from where the qualifying examination was passed or from principal of the college/school where the candidate has studied last.
- * Certificate of medical fitness to be signed by a Govt. Medical Officer.
